**Stay Safe While Traveling Abroad: Sign Up for Tabi-Regi (Trip Registry)!**

The Japanese Ministry of Foreign Affairs (MOFA) has created a "Tabi-Regi" (たびレジ), a trip registry system, to help Japanese-speaking travelers abroad. If you will be traveling abroad on leisure or business for less than three months, you can register the details of your trip (travel plans, accommodations, emergency contacts, etc.) on Tabi-Regi. While you are abroad, the nearest Japanese embassy will use this system to send you information on safety during any emergency situations and to confirm your safety in the case of a major incident or disaster. Not only will this new system help you stay safe, it will also help with general safety and security of travelers and crisis management. If you will be taking short-term trips abroad, please remember to register on Tabi-Regi before your trip!

Event in Celebration of the 20th Anniversary of the Sister-State Relationship between Saitama Prefecture and Brandenburg State ~Phase 1~

[A Rugby Team From a University in Saitama Participated in a Friendly Match in Brandenburg State!]

Do you know about Saitama Prefecture's sister-state, Brandenburg State in Germany?

Since the inception of the sister-state relationship in 1999, Saitama Prefecture and Brandenburg State have deepened cultural exchange in a variety of fields such as education and environmental issues. 2019 marks the 20th anniversary of the sister-state relationship.

This year, in commemoration of both the 20th anniversary and the 2019 Rugby World Cup, a special friendly match between Saitama and Brandenburg and the Sans Soucci Cup 2019 were held in Brandenburg.

Athletes from Saitama Prefecture’s Toyo University Rugby Football Team were selected to participate in the friendly match.

The athletes were appointed as Saitama Goodwill Ambassadors for the duration of their period abroad, from June 3 - 12. During this time, the team proactively participated in international cultural exchange activities, taking part in the friendly match against the local rugby team, visiting Brandenburg State's Cabinet Minister, and holding a rugby workshop aimed at teaching junior players Japanese rugby techniques.

Don't forget to check out the Toyo University Rugby Football Team's 'Saitama Goodwill Ambassador Report,' and read about the athletes’ roles as Saitama Goodwill Ambassadors and becoming bridges of friendship between Saitama and Brandenburg!
