活動状況写真	 A photograph showing a group of children in school uniforms engaged in a gardening activity. They are working in a raised garden bed located next to a school building. The children are wearing white shirts and dark shorts or skirts. Some are using tools like rakes or shovels. The garden bed is filled with various plants, including what appears to be a tomato plant. In the background, there is a school building with a green roof and a basketball court. The scene is outdoors on a sunny day with mountains visible in the distance.
