特配仕様書

[illegible]

Architectural floor plan of a building with a central courtyard. The plan includes dimensions in meters (e.g., 14.4m, 7.2m, 4.5m) and Chinese labels for various rooms and features. A north arrow is located at the bottom right. The title "配 置 图 1:200" is written vertically on the right side.

The diagram illustrates a geometric construction on a rectangular plot. A diagonal line is drawn from the top-left corner to the bottom-right corner. A point is marked on this diagonal, and lines are drawn from this point to the top-right and bottom-left corners, effectively dividing the large rectangle into two smaller rectangles. The dimensions are labeled as follows:

- The top-left rectangle has a width of 27,500 and a height of 18,200.
- The bottom-right rectangle has a width of 28,000 and a height of 13,400.
- The total width of the large rectangle is 28,200.
- The total height of the large rectangle is 31,600.

Technical drawing of a bridge structure, showing various components and dimensions. The drawing includes a cross-section of the bridge deck and supports, with labels in Chinese characters. Key labels include '北口' (North Mouth), '南口' (South Mouth), '橋脚' (Bridge Pier), '橋梁' (Bridge Beam), and '橋面' (Bridge Deck). Dimensions are given in meters, such as '13.00 x 13.00' and '1.00 x 1.00'. A scale bar at the bottom indicates a length of 10 meters.

求積表		
32.000	$\times$	(19.200 + 13.600) = 104.600 ^N
1040.600	$+$	524.600 ^N

項目	金額	金額	金額	金額	金額
現金	104.760	18.430	4.800	8.400	52.400
銀行	314.280	18.430	4.800	8.400	345.910
債權
